WHAT IS À VOTRE SANTÉ?
Dr. David Dodson, À Votre Santé Host Committee member

Taken from the traditional French toast "To your health," *À Votre Santé* is an annual island dinner party to benefit FoundCare, Inc. FoundCare is a federally qualified health center (FQHC) that provides quality healthcare throughout Palm Beach County. No one is turned away for inability to pay and families without insurance are billed on a sliding scale.

Scheduled for Sunday, March 29th, at 6pm at Club Colette, guests will have the opportunity to toast their health alongside live music, hors d'oeuvres and a fabulous auction, all while supporting FoundCare. This year's event honors FoundCare supporters and advocates, Nancy Brinker, Jeffrey and Trisha Cole, Beth and Marc Goldberg and Penny Shaffer. The Host Committee includes Barnette and Ken Druskin, Donna and Dr. David Dodson and Houston Tate. Donna Mulholland is this year's Honorary Chairperson.

HOW DOES FOUNDCARE SERVE PALM BEACH COUNTY RESIDENTS?
Nancy Brinker, À Votre Santé Honoree

FoundCare, Inc., celebrating 35 years in the community, is a nonprofit Federally Qualified Health Center with several Palm Beach County locations. Services include pediatric and adult primary care, chronic disease management, behavioral health services, dentistry, pharmacy, laboratory services and x-rays. FoundCare's mission is to fulfill unmet healthcare and social service needs of individuals and families in Palm Beach County.

FoundCare uses a sliding fee scale based on household size and income, and no one is turned away for inability to pay for services. In 2019, FoundCare served 18,725 patients, of which 7,111 were uninsured. That means 7,111 patients in need of care received life-improving health services at FoundCare. Without your support, those 7,111 people and their families would have limited options for care or would go without accessing care at all. Why support FoundCare? There are 7,111 reasons.

WHAT DOES FOUNDCARE'S WORK MEAN TO YOU?
Marc Goldberg, À Votre Santé Honoree

We all have a responsibility to help others secure quality healthcare availability and to share our good fortune with others in need, and that's where FoundCare comes in. We are pleased to support the pediatric wing of FoundCare's (Palm Springs site) in memory of our son Michael who passed away in 1988 at the age of 14 as a result of pediatric lymphoma.

HOW IMPORTANT IS ACCESS TO QUALITY HEALTHCARE?
Penny Shaffer, À Votre Santé Honoree

I am living proof that it is all fine until it is not. I survived cancer and believe it is because of good routine annual checkups and age appropriate screenings. All should have access to preventative care and early detection. FoundCare's work makes me proud of the community and our region.

WHY IS À VOTRE SANTÉ IMPORTANT TO THE COMMUNITY?
Donna Mulholland, À Votre Santé Honorary Chairperson

All the money raised will stay local as 100 percent of the funds raised at *À Votre Santé* will be used to further expand health services for even more Palm Beach County families. While grateful for all the community support, this organization truly needs your help as it continues to expand and offer more services to those in need. *À Votre Santé* is the annual opportunity for FoundCare friends to show their support for its work, and most important of all, support for its patients.
